VIRDI BUILDERS

Our History

With over three decades of experience, the establishment was commenced by Sh. Partap Singh Virdi back in 1987. Currently been managed by his son Sh. Jaspal Singh Virdi and his grandson Kunwar Virdi . Virdi builders have established themselves within Delhi/ NCR region as a trusted name in the construction market.

Delhi Farmhouse 1992

Vision, Mission, & Goals

Vision

To be amongst the most admired organizations engaged in the real estate & civil construction, committed towards higher customer satisfaction by building best in class infrastructural designs.

Mission

To emerge as a prominent name in the industry known for its quality and compassion for providing cost effective construction.

Goals

To ensure that construction projects are successfully completed within the constraints of best quality, stated period and with minimum cost possible.

The Process

Planning

Our team lays down a detailed project plan which ensures that we have an overall action plan available. The step by step planning helps to cover the smallest of the detail, minimizes risk and ensures timely completion of the project.

Execution

Our skilled and well-trained workforces perform their duties with utmost sincerity and commitment leaving no scope of errors or delays. We have on-boarded qualified supervisors ,engineers , painters, plumbers, and carpenters etc

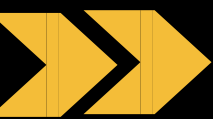

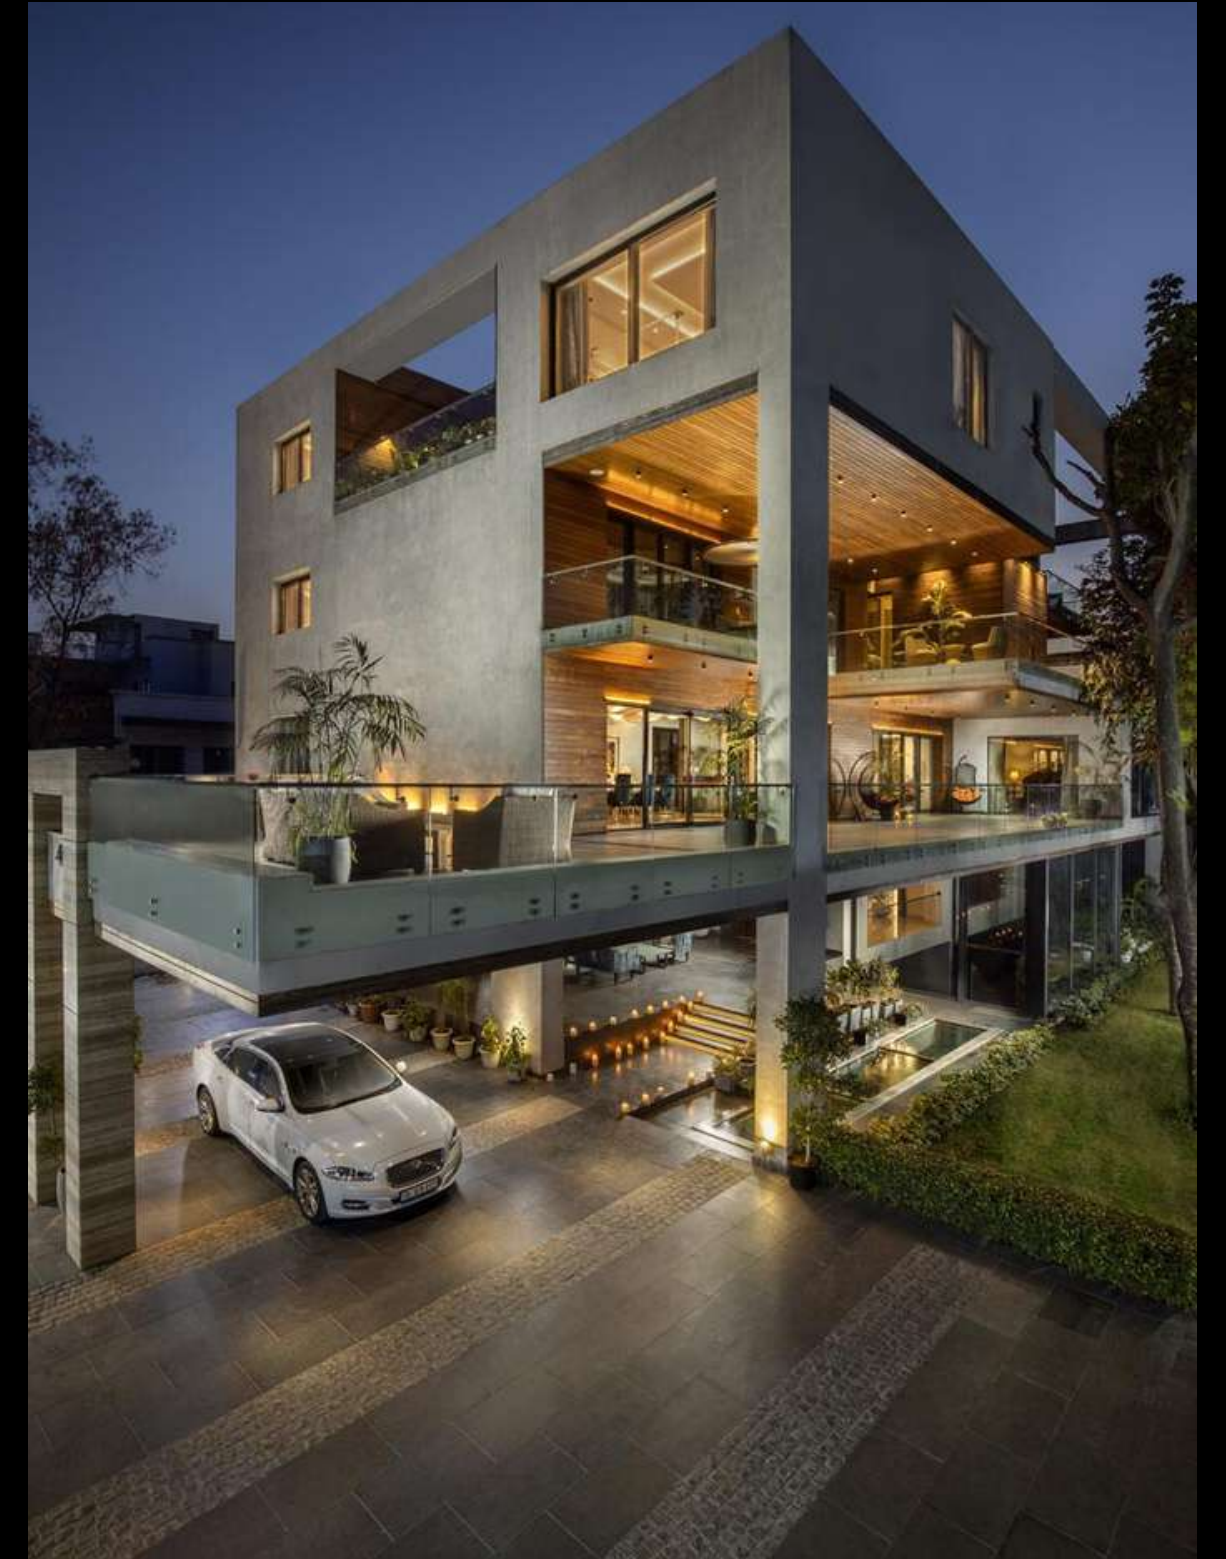

Completion

Once the project is completed and is successfully handed over, our engagement does not end. Our commitment and partnership go beyond where we ensure that manufacturer warranties for all installations are provided.

VIRDI BUILDERS

Projects

We Build Structures to Last a Lifetime.
